

## Santa Barbara Body Therapy Institute - School Performance Fact Sheet Calendar Year 2012

The California Private Postsecondary Education Act (CPPEA) requires under section 94910 of CPPES that a school provide information for each program offered in regards to completion rates, placement rates, licensure exam passage rates, and salary/wage information. The following information is data compiled from January 1, 2012 to December 31, 2012. There is not a state licensure exam and therefore we do not report statistics for a passage rate. However, all of the SBBTI students who have taken the National Certification Board exam have passed.
