- Flexible schedules with classes starting all the time
- Payment plans available

## HOW TO APPLY

A student's space in programs and courses is reserved upon receipt of registration fee, application form, and enrollment agreement form and admissions interview. Courses without sufficient enrollment will be postponed or cancelled (any refunds due will be issued via check within 7 days).

Below are a few of general policies. Please see full catalog for a complete listing of program & course descriptions, instructor biographies, and school policies.

## SCHOOL POLICIES

**Registration Fees:** All registration fees are nonrefundable and due at the time of enrollment. Registration fees are reduced by 50% if you pay the fee two weeks prior to the start of the class.

**Program Registration Fees & Course Changes:** Discounted course registration fees for programs are based on commitment to stay enrolled in chosen courses. To incur no additional reg fees, if a course choice changes the school needs a minimum of a two week notice of program change. Otherwise an additional reg fee of 10 % of individual course, maximum \$50, will be charged for dropped course.

**Full Payment Options:** Payments are due by the first day of class, and we accept cash, check or credit card.

**Payment Plans Options:** Payment plans are available on a "pay as you go" basis. Students may make monthly payments commensurate to their rate of study. In other words, if you choose to attend school four days per week, you would be required to pay at a higher monthly rate than if you only attend twice a week. Monthly installments include a \$20 processing fee. Payments are done by automatic withdrawal from a credit card, unless other arrangements are requested. All students have equal access to plan options and no additional interest is incurred beyond the monthly processing fee.

Our intention is that student leave school with certification of program completion and valuable career skills and no debt. Therefore, all tuition must be paid in full before certificates and transcripts are released.

Become a part of Santa Barbara's healing community at SBBTI, *where lives change*.
